

Call on Governor Spitzer to Act

Governor Eliot Spitzer's Office - (518) 474-8390

Phone Script

Hi, This is (name) from (business) in Columbia County. I want to urge Governor Spitzer to reconsider his decision to close the Hudson Correctional Facility.

This facility is vital to our local economy, offering employment to more than 275 people. These people buy from our local businesses and support our community in many ways.

If the prison closes, Columbia County will lose people that are vital to our economy and quality of life. Local businesses like mine need your support on this issue.

Over the last decade, a significant amount of our tax dollars have been used to upgrade this facility, which is operating at 98 percent capacity. To abandon it now would be an insult to the already burdened taxpayers of this County.

Please reconsider your decision to close the Hudson Correctional Facility.

Thank you.
